

June 20th 2014

Dear Parents and Guardians,

Lunch money needs to be handed in on a Monday morning, a week in advance. Please don't pay at the end of the week as this makes it very difficult for the office. It would be very helpful if all parents could pay in advance as we have to spend a lot of time chasing. Thanks very much.

Today the pupils in years 11, 12, 13 and 14 leave Woodfield. It is their final day of the year. We will see them again at the Leavers Assembly on July 18th where we celebrate all the brilliant years that have passed by so quickly. Please attend the assembly if you can.

Year 11 pupils will be back in school on Monday 23rd June for the Year 12 induction. This is a three day course where pupils will learn about the curriculum in the sixth form and learn the routines. Every pupil has had a taster week in the sixth form so it will be familiar already. We wish Year 11 good luck with their induction.

Of course we will see Year 13 next year as they will come back as year 14- the transition to college year. Pupils will work hard in Year 14 on becoming independent and getting ready to move on to a College of their choice. Travel training is an essential skill that we want every pupil to achieve as it gives more choice about next steps.

We are saying goodbye to Year 14 which is very sad but also extremely exciting as they have grown into beautiful young adults who have achieved so much during their time at Woodfield. We will be saying goodbye on July 18th.

Have a good weekend
