

June 27th 2014

Dear Parents and Guardians,

Woodfield has developed a peer support scheme which is lead by Mr Cooper our Deputy Head in charge of behaviour. This will help pupils deal with issues related to friendship and bullying. The student council representatives will be trained to give support to their peers at break and lunchtimes. Staff will still be on duty and will be available at all times. Peer support is a good way of helping pupils to see that they can support each other and be trusted to take on this responsibility. This is especially important when we have new pupils starting school. Next week we are welcoming thirty new year 6 children for their induction. Our peer support will be needed to help our new pupils through their first experiences of Woodfield School. Our pupils have been prepared for the induction of new year 6 children and we have practised what the right things are to say and do.

There will be no after school clubs in the last week of term on Tuesday 15th July and Thursday 17th July.

In September after school clubs will begin on Tuesday 15th September.

I have attached the timings of the school day to the back of this letter as some parents have requested it.

Have a good weekend
