

22 Oct 2012

Dear Parent/carer

1Voice Community is a charity that provides support, education and advice to the families and carers of children and young people with additional needs living in Brent. Last year we helped over 500 children with disabilities and their families.

On Wednesday 31<sup>st</sup> October 2012, 1Voice Community will join forces with Brent Council to hold a Fun Day for families of children with disabilities at The Village School in Kingsbury. This will be a wonderful day for the community, providing lots of free, fun activities, as well as helpful information and support for parents and carers from organisations such as Mencap, National Autistic Society and Resources for Autism, Brent children and Adult social services and Early support teams and Brent NHS.

Guest list includes Brent MPs, Councillors, and Brent Mayor and most importantly you and your whole family is invited to attend.

We have received donations from local businesses such as Starbucks, Sainsbury, ASDA, Millie's, Clarins, Body Shop and Nando's just some names.

- We also have 200 goody bags to give away to first 200 guests
- 10 free Designer Glasses vouchers to first 10 existing glasses wearing children.
- The Day is packed full of activities, exciting games and lots of raffle prizes.
- A relaxed pampering corner for parents and carers. Beauty treatments, henna, and yoga sessions.
- Children will have a chance to play games, enjoy the Bouncy castle, balloon modelling, face painting and Disability sport. Performances from children with additional needs as well as Delicious homemade cakes and ice cream.
- Warm buffet will be served from 12pm.

I strongly urge parents and carers to come along and be part of this exciting event and let Brent hear about our experiences and give your views to the way we would like services to operate to suit our families's needs.

With thanks and best wishes,

*Iram Yaqub*
